

# Composite Risk Management Is The Key To Success

Training or Combat -  
It's still the same 5-step process and it works!

## Training

**1. Identify Hazards**

**2. Assess Hazards**

**3. Develop Controls & Make Decisions**

**4. Implement Controls**

**5. Supervise & Evaluate**

## Combat

**Standards and discipline are the best control measures!**

# Composite Risk Management Is The Key To Success

On Duty

Off Duty

IT IS STILL A 5-STEP PROCESS NO MATTER WHAT TIME OF DAY
